

## Musambi Cultivation

Ray of Hope  
Sri Bimal Chandra Das

Bimal Chandra Das, a farmer, inhabitant of Rangutia under Bamutia GP of West Tripura District. He started musambi cultivation in his 8 kani up land with the help of Horticulture under the HMNEH scheme in the year 2012-13.

He has planted about 700 plants of which at present 350 plants bearing fruits. Fruit bearing started in the year 2015 and sold musambi of which monetary value is ₹60,000.00 the during this year i.e. 2016, it is expected of ₹1,50,000.00. Earlier in this plot he use to grow vegetables such

as chilli, brinjal, bendi etc. Now vegetables are grown as inter crop with the musambi which gives him an extra income. He is planning to raise a small nursery of musambi of his own. This musambi plantation helps to put the plot

in to proper utilisation and create a source of income.
