

THE STRENGTH OF 13

Kalamkai ADC village which is about 22 KM from Gomati District Head Quarter, Udaipur and about 12 KM from Killa RD Block Head Quarter.

Thirteen families of this village has united for cultivation of mango (Amrapalli) in their unutilised plots which is in total about 5.5 ha.

Before taking up this venture they have attend training organised by Horticulture & Soil Conservation

Directorate by Sub Division and District Level Officials also visited mango plantation plots in different placed of the subdivisions & districts. Then they have convinced and decided to raise mango (Amrapalli) plantation in their un productive barren lands keeping aside to raise the rubber plantation.

The plantation was raised in the year 2012-13 under scheme of HMNEH in 5.5 ha areas where about 3200 plants were planted about till date about 3000 plants survives and 70 % plants bear fruits.

It has been calculated that about 1500-2000 kg of mango produced which were sold @ `40.00 per kg in the Killa Bazar total ` 80,000.00 during the year 2016-17

They also grown table potato as inter crop and harvested about 26 MT of potato.

Beneficiaries expecting increase of production in the coming years and this amount adds additional income to their families and bringing prosperity.

These delicious mangoes also help them to increase the social binding among themselves and relatives and friends as these mangoes were given to them as gift.

Now these beneficiaries are so excited & interested that they would like to declare their village as "Thaickuk Kami" (Mango village).
